Our Kitchen & Store is under the strict supervision of the Beis Din of Crown Heights. All our vegetables are peeled and our products are non-gebrochts.

\*\*If you are serving more than one salad the portion size is 3 people to a lb. For a vegetable side dish like potatoes the portion size is about 2 people to a lb. The chicken portions are quarters so you can divide them up for small children, and the fried chicken cutlets are generally very large and can be cut in half.
